Collaborative Experiences

- “Love & Strife” - 2D Short Film - 07/25-12/25 - FX Animator
 - Animated FX work matching the style of the film, focusing on magical properties and emphasizing the character animation
 - Worked with others to achieve the director’s vision, animating on top of and with character animation, submerging characters into the environment and incorporating feedback and direction
- “Future Purchased” - 2D Short Film - 02/25-06/25 - FX Animator
 - Animated footage of FX animation focusing on natural qualities
 - Accepted and implemented critiques, demonstrated timeliness and reliability and achieved the vision the film required
- “Firewatchers” - Hybrid Short Film - 09/23-05/24 - FX Animator, Producer
 - Animated 40% of the film as both a effects and character animator
 - Produced a team of 17 people to create a 3 minute long animated short
 - Learned multiple softwares including Blender and Shot Grid to assist, further understand and organize production
- “Scaredy-Crow” - 2D Short Film - 06/23-09/23 - Director, Character & FX Animator
 - Animated footage including character acting and effects for 20% of the film utilizing ToonBoom Harmony
 - Lead a team of 10 people to produce a short film in just 2 months
- “Art 6’ Under” - 2D Short Film - 03/23-05/23 - Director
 - Character and FX Animator using ToonBoom Harmony
 - Storyboarded multiple scenes and sequences
 - Wrote and Directed a team of 10 to 2 minute long action-packed animated short
